

Texas EMS Rodeo National Registry Paramedic Refresher and EMS Conference

Many EMS responders and organizations may have difficulty putting together regular EMS continuing education programs. This program is designed to meet the needs of students seeking to maintain their NR status by completing a refresher program with national speakers presenting topics that will educate and motivate your students.

Topics included are anatomy and physiology, initial patient assessment and management, airway and ventilation, patho-physiology of shock, and general pharmacology, trauma assessment and management of shock and chest, open abdominal, spinal injuries, and burns. Cardiopulmonary material will focus on providing ventilatory support, cardiac arrest management, cardiovascular compromise support, and post resuscitation care. Medical issues on drug abuse, near drowning and allergic reactions will be rounded out with lectures covering children in medical distress.

The class will be held at
Garland Fire Department Training Center
1500 State Hwy 66
Garland, Texas 75042
February 9 – 13, 2009
8:00 AM – 5:00 PM

The course is \$ 400 per person due by February 2, 2009.
Cash, checks and PayPal available **. Course fee includes
both NREMT required sessions and ACLS re-certification.
EARLY BIRD DISCOUNT for those who register by January
20, 2009.
